## Que Sera' Sera' - Nuts

One of the popular songs of yesteryear was Que Sera' Sera', or in English, whatever will be, will be.

What has this to do with the Shorthorn business and this sale? Simply this. I don't subscribe to this theory. I say the breeder that takes this attitude in selecting herd bulls and adding replacement females to his herd, will be sliding backwards.

A sale such as this Ohio National presents an opportunity for buyer and seller alike to take a positive approach to the promotion and improvement of their herd. Top quality will be offered in this sale, giving you, the buyer, an opportunity to improve your herd with breeding that is popular, and type that is essential.

Attend this sale and take a positive approach by adding the kind that can enhance the earning potential of your herd. Make your song, "It was a very good year," instead of "Whatever will be, will be".

Sincerely,

A large, stylized handwritten signature of Joe Gossard.

Joe Gossard

Tuscarora Crimson May 12th is the first heifer by our new sire, Remital Royal Fortune, who was one of the top sellers at the 1967 Canadian International Bull Sale at Brandon, Alberta. We should be adding this outstanding female to our own cow herd but we are determined to be represented with the best. We con-signed the Reserved Champion Female to the 1968 Ohio National and believe that this heifer is worthy of competing with the best. Her Granddam, Hickories Crimson May 6th, is the largest cow in our herd.

Since we lost her sire by lightning, this will probably be his last daughter we sell. She is from the show herd and stood consistently up in class, usually 2d or 3d. She is a sister to the top selling bull and female at the 1968 Ohio National. Kenlyn Nugget sired the grand champion steer over all breeds at the 1967 Eastern National.

A descendant of the imported Bonny Rothes cow which Thomas Wilson selected as a foundation female. Her sire and grandsire were both International champions. Through these bulls she carries the blood of Edellyn Royal Leader and Willow Lee Rodney. This combination produced an International grand Champion Steer. She is well along in calf to a big, modern, double bred Timberlee Consort bull which we are using at Oakwood. Her dam weighs 1400 lbs. in breeding condition.

Tuscarora Waterloo Bertha 21st is a long, modern type individual that should develop into a top brood cow. Her Granddam, Gibbonsdale Waterloo Bertha, was the top selling female at \$2,000 in the True Buckmaster, Trinity Farms dispersion. She is mated to Remitall Royal Fortune, our out-cross Herd Sire that is bringing new and invigorating blood into this area. Take a look at Lot 1, the first daughter of Fortune and the product of our Fortune - Commander cross. You can expect the same top quality offspring from this young Waterloo Bertha.

Here is a female that has the modern look. Not too short legged, but long, wide, and thick, from the famous Penn State Rosewood family. Her sire has produced the grand champion pen of feeder steers over all breeds for the last three years at the Pa. Livestock Exposition and holds the record for the highest prices paid in the State. In November of 1968 his calves outsold all other breeds and broke the record for the State of Maryland. She is due to calve to Smalstig's new polled bull, Belvoir Constellation 3dx on May 2, 1969. By buying this heifer, you may luck yourself a polled bull with all horned blood behind him. This heifer was dehorned as a calf.

His Sire, Tuscarora Challenger, is a full brother to Tuscarora Keynote of Penn State U., Michigan State U., and Univ. of Kentucky fame. His Granddam, Heloise Clipper Clove, is a full sister to Clipper Clove Gloria, the 1958 International Congress Sale Champion and top seller at \$2950 to Louada Manor Farms. Johngary Cavalier is the best bred bull to leave the farm. All the cattle showing in the pedigree are cattle of size and substance. His grandsire, Bapton Constructor must rank as one of the all time breed greats and very possibly the greatest. A book could be written on the other great cattle in the pedigree.
